

Individual Reflection week 8

The last sprint we have mostly working on the presentation and the finale rapport.
To summarize the project, it has been both challenging but also rewarding in terms of new experiences both in Agile Working Methods and programming.

- What do I want to learn or understand better?
Agile Working Methods and programming.
- How can I help someone else, or the entire team, to learn something new?
Use my experience from this project in next.
- What is my contribution towards the team's use of Scrum?
Attend and be active in Scrum meetings.
- What is my contribution towards the team's deliveries?
Writing rapport about the project.
