

Individual Reflection week 5

This week I had the opportunity to be the group Scrum Master. This has given me valuable experience with what it means to lead an agile team.

- What do I want to learn or understand better?
TypeScript, as it has a central role in the project.
- How can I help someone else, or the entire team, to learn something new?
Be a role model in my role as Scrum Master.
- What is my contribution towards the team's use of Scrum?
Fulfil my role as a Scrum Master.
- What is my contribution towards the team's deliveries?
I have created a TypeScript function to connect to our server.
